

Glass box taking inspiration from Cinderella's Glass Shoe with a holographic bag that brought alive the concept of transformation

Launch event designed to promote the concept of a cleaner planet, called the 'The Brilliance of Green' complete with backlit informative kiosks and interactive screens with a huge glass installation of a rotating diamond reeking of the love and respect for Mother Earth.

Let the story begin.  
You ask with who?  
It starts with you and your  
One Glass Shoe.
